Meet Mabel

My name is Mabel. Like all good adventurers, I love Swiss cheese, the number eight, donkeys, and popovers. But don't get me started on spiders, ham, or gym shoes! What are some of your likes and dislikes?

Spot the Difference

To be the very
best spy, you need
to notice when
things are not as
they seem . . .

Help Mabel spot the
five differences between
these two pictures of
the Mermaid Hotel.

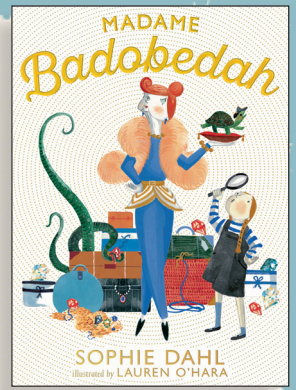

DIFFERENCES: 1. The trumpet is gone. 2. The whale painting is now a boat. 3. The mermaid has flipped. 4. The girl jumping on the bed has vanished. 5. The color of the man's hat has changed.
