

# RALPH BAER + INVENTION

Ralph Baer loved to make things better. When television was new and getting more popularity, he saw an opportunity to make TV use more fun: by gaming.

Ralph liked to play games as a child. But the world changed when he was a boy. What does it mean to be a refugee?

Freeze tag, hide and seek, chase—what games do you like to play outside?

Do you play TV video games?

Ralph was an inventor. Do you think he got everything right on the first try?

Are mistakes a big part of inventing?

From the light bulb to the toaster, bicycles to spaceships, what do you think is the most important invention?

What are four important steps an inventor must take?

Inventions often come about to solve a problem. Do you have an idea for an invention?
